DECT 603

DECT Wireless Intercom

- Digital D.E.C.T wireless intercom system.
- Working range of 200 metres (up to 400 metres open field conditions).
- Up to 4 handsets per system.
- **NEW** - Now available with 2 relay outputs!
- Simple setup and install.
- Keypad option for coded access.
- Marine grade stainless steel constructed panels with toughened gloss acrylic trim.
- Built in voicemail feature for missed callers, user can listen to messages on handset.
- Make internal calls between handsets.
- 2 year manufacturers warranty.

DECT 603 DECT Wireless Intercom

Speech unit

Technical Details

Power Supply	12v dc (adaptor included)	Cable between speech unit & transmitter	Screened CAT5
Current Consumption	50mA standby, 250mA calling	Max cable length	8 metres (recommend short as possible)
Relay Outputs	2	Cable cores	2 x SPK, 2 x MIC, 2 x power, 2 x button
Relay type	N/O & N/C contacts	Speech unit IP rating	IP55
Relay time	Adjustable 1-9 seconds	Transmitter IP rating	IP65
Relay load	2A 24v AC max	Manufacturer Warranty	2 year return to base warranty
Technology type	1.88GHz DECT Digital Technology	Keypad programming	On the keypad
Handsets per system	4	Keypad codes	1200 total
		Wiegand output	Yes, 26 or 34 bit

DECT 603

DECT Wireless Intercom

- Easy to use handset, simple answer and end call button.
- Door release button can also be used when a call is not active (press and hold to release door or gate).

Technical Details

Power Supply	5v dc (adaptor included)
Technology type	1.88GHz DECT Digital Technology
Handsets per system	4
Handset Battery	AAA Ni-mH rechargeable
Handset battery life	24 hours between charging

DECT 603

Kits & Part numbers

603

603-AB (Architectural Model)

- Stylish curved architectural model
- Modern blue back lighting effect.
- BS316 marine grade, brushed stainless steel construction with gloss acrylic trim.
- Kit includes speech panel, transmitter module, power supply, 3 metres screened CAT5 cable, handset, charging base and charger.

603-ABK (Architectural Keypad Model)

- Stylish curved architectural model
- Built in, illuminated code-lock keypad for access control.
- Keypad includes 3 relays, with latching and momentary operation and many more features.
- Modern blue back lighting effect.
- BS316 marine grade, brushed stainless steel construction with gloss acrylic trim.
- Kit includes speech panel, transmitter module, power supply, 3 metres screened CAT5 cable, handset, charging base, charger, and install manual.

DECT 603

Kits & Part numbers

603-AS (Architectural Model)

- Stylish curved architectural model
- Contemporary cool-white back lighting.
- 100% BS316 marine grade stainless steel construction.
- Kit includes speech panel, transmitter module, power supply, 3 metres screened CAT5 cable, handset, charging base and charger.

603-ASK (Architectural Keypad Model)

- Stylish curved architectural model
- Built in, illuminated code-lock keypad for access control.
- Keypad includes 3 relays, with latching and momentary operation and many more features.
- Contemporary cool-white back lighting.
- 100% BS316 marine grade stainless steel construction.
- Kit includes speech panel, transmitter module, power supply, 3 metres screened CAT5 cable, handset, charging base, charger, and install manual.

DECT 603

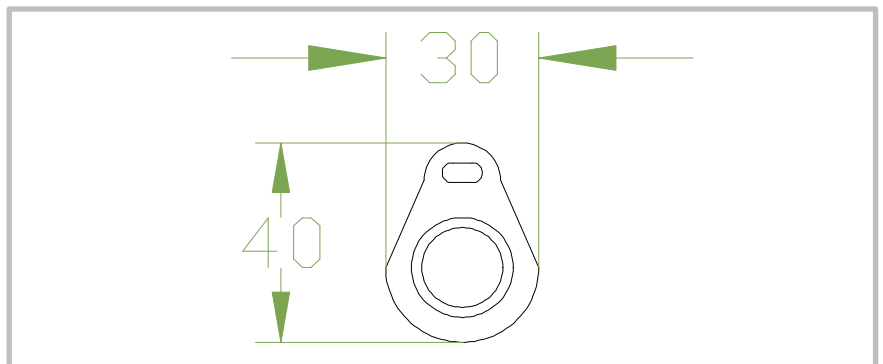

Kits & Part numbers

603

603-ABP (Architectural Prox Model)

- Stylish curved architectural model.
- Built in stand alone proximity reader.
- 125KHz frequency. Compatible with 4001 / 4100, EM / TEMIC / TK tags.
- Modern blue back lighting effect.
- BS316 marine grade, brushed stainless steel construction with gloss acrylic trim.
- Kit includes 3 user tags, speech panel, transmitter module, power supply, 3 metres screened CAT5 cable, handset, charging base, charger, and install manual.

PROX1

- additional Proximity Tags.

DECT 603

Kits & Part numbers

603-HB (Hooded Model)

- Hooded model, for a more traditional yet smart look.
- BS316 marine grade stainless steel construction with gloss black face trim.
- Built for tough environments.
- Illuminated push button.
- Kit includes speech panel, transmitter module, power supply, 3 metres screened CAT5 cable, handset, charging base, charger and install manual.

603-HBK (Hooded Model With Keypad)

- Hooded with keypad for a more traditional yet smart look.
- Built in, illuminated code-lock keypad for access control.
- Keypad includes 3 relays, 1200 codes, with latching & momentary operation + more.
- BS316 marine grade, brushed stainless steel construction with gloss acrylic trim.
- Kit includes speech panel, transmitter module, power supply, 3 metres screened CAT5 cable, handset, charging base, charger, and install manual.

DECT 603

Kits & Part numbers

603

603-FB (Flush Model)

- Flush mounting model, for a sleek recessed look.
- BS316 marine grade stainless steel construction with gloss black face trim.
- Built for tough environments.
- Illuminated push button.
- Kit includes speech panel, transmitter module, power supply, 3 metres screened CAT5 cable, handset, charging base, charger and install manual.

603-FBK (Flush Model with Keypad)

- Flush mounting model, for a sleek recessed look.
- Keypad includes 3 relays, 1200 codes, with latching & momentary operation + more.
- BS316 marine grade stainless steel construction with gloss black face trim.
- Built for tough environments.
- Illuminated push button.
- Kit includes speech panel, transmitter module, power supply, 3 metres screened CAT5 cable, handset, charging base, charger and install manual.

DECT 603

Kits & Part numbers

603-iBK (Industrial Model)

- Industrial model for high volume applications on pedestals, vehicle entrances etc.
- Super loud 4 watt speaker, and sensitive microphone.
- Brushed stainless steel construction with gloss acrylic trim.
- Illuminated push button.
- Kit includes speech panel, transmitter module, power supply, 3 metres screened CAT5 cable, handset, charging base, charger and install manual.

603-iBK (Industrial Model With Keypad)

- Industrial model for high volume applications on pedestals, vehicle entrances etc.
- Super loud 4 watt speaker, and sensitive microphone.
- Illuminated keypad includes 3 relays, 1200 codes, with latching & momentary operation + more.
- Brushed stainless steel construction with gloss acrylic trim.
- Kit includes speech panel, transmitter module, power supply, 3 metres screened CAT5 cable, handset, charging base, charger, and install manual.

DECT 603

Kits & Part numbers

603

603-EH (Extra Handset)

- Add up to 3 extra handsets to any 603 kit (4 handsets in total).
- Make internal calls between handsets.
- Complete with charging base and plug in charger.

INNOVATIVE SECURITY TECHNOLOGY

CellCOM PLUS

GSM Audio Intercom

CellCom Plus

Accepts any 2G capable SIM card.
Quad band modem.
850 / 900 / 1800 / 1900 MHz

GSM SIGNAL

Call fixed line phone

Call mobile cell phone

Calls up to 4 numbers in sequence
(depending on model)

- GSM intercom for unlimited range access control.
- Makes phone calls on a SIM card, just like a cell phone.
- Can call up to 4 numbers in sequence (depending on model).
- Can call both fixed line and mobile phones.
- Caller ID feature built in for access control for up to 100 numbers.
- Optional iPhone and Android apps available for advanced control of relay outputs.
- 2 year manufacturers warranty.
- 2 relay outputs.
- IP56 rated panels.
- BS-316 marine grade brushed stainless steel and reinforced gloss black acrylic construction.

Cellcom PLUS

GSM Audio Intercom

CellCom Plus

Technical Details

NEW Features for 2016- CellCOM PLUS	
Power Supply	15v dc adaptor included.
GSM PCB Relays	2
Relay type	N/C or N/O, momentary & latching
Dialling numbers	4
Caller ID numbers	100
Alert when gates triggered	✓
Modem standby	45mA
Max current consumption	250mA, 2 amp peak

Keypad Specs	
Relays	3, with N/C & N/O contacts, latching and momentary operation
Relay load	2A 24v AC max
Keypad codes	1200 codes
Consumption	16mA standby, 200mA peak when relay triggered

Architectural Panel

GSM-4AB	PLUS model
GSM-4AB/3GE	PLUS model with dual 3G/2G capability (European version)
GSM-4AB/3GA	PLUS model with dual 3G/2G capability (Australian & US version)

-Stylish curved architectural model. Constructed from BS316 marine grade stainless steel and finished with gloss black acrylic trim. Modern blue backlighting.
 -Kit includes speech panel, antenna, power supply & install manual.
 -For Plus model additional features, please refer to pg12.

Architectural Panel with Keypad

GSM-4ABK	PLUS model
GSM-4ABK/3GE	PLUS model with dual 3G/2G capability (European version)
GSM-4ABK/3GA	PLUS model with dual 3G/2G capability (Australian & US version)

-Stylish curved architectural model. Constructed from BS316 marine grade stainless steel and finished with gloss black acrylic trim. Modern blue backlighting.
 -Keypad includes 3 relays, 1200 codes with latching and momentary operation.
 -Kit includes power supply, antenna and install manual.

Kits & Part numbers

GSM-3V-AB (Standard Architectural model)

- Stylish curved architectural model
- Modern blue back lighting effect.
- BS316 marine grade, brushed stainless steel construction with gloss acrylic trim.
- Kit includes speech panel, antenna, power supply & install manual.

Predator GSM

GSM-3V-ABK (Standard Architectural model with Keypad)

- Stylish curved architectural model.
- Keypad includes 3 relays, 1200 codes, with latching & momentary operation + more.
- Modern blue back lighting effect.
- BS316 marine grade, brushed stainless steel construction with gloss acrylic trim.
- Kit includes speech panel, antenna, power supply & install manual.

Predator Wi-Fi

Wi-Fi / 3G Video Intercom

- Speak to, and see your visitor from your smart-phone.
- Easy wireless connection to existing home Wi-Fi.
- Up to 150 metre range with directional antenna (dependant on location of router in house).
- Can call up to 4 devices at the same time.
- Get a video call from your gate / door even when away from home!
- No data use when phone on Wi-Fi connection.
- 2 year manufacturers warranty.

Predator WiFi

Predator Wi-Fi

Wi-Fi / 3G Video Intercom

Long range antenna
(up to 150m working range depending
on router type and location)!

Search Predator-Wi-Fi

- Simple setup by mobile phone. Connect to the intercom directly through your phone's Wi-Fi, enter the pass code for the home hub Wi-Fi and the device is connected.
- View the gate/door and open any time with monitoring mode.
- Stores images of the last 32 missed callers on your phone.
- Still works locally on Wi-Fi network even if broadband goes down.
- Can work with most market standard outdoor Wi-Fi repeaters for extended range.

Kits & Part numbers

302-AB (Architectural Model)

- Stylish curved architectural model
- Modern blue back lighting effect.
- BS316 marine grade, brushed stainless steel construction with gloss acrylic trim.
- Kit includes speech panel, handset, power supply, manual.

Hard Wired

302-ABK (Architectural Keypad Model)

- Stylish curved architectural model
- Built in, illuminated code-lock keypad for access control.
- Keypad includes 3 relays, with latching and momentary operation and many more features.
- Modern blue back lighting effect.
- BS316 marine grade, brushed stainless steel construction with gloss acrylic trim.
- Kit includes speech panel, handset, power supply, manual.

Entrée Phone 302

Kits & Part numbers

302-AS (Architectural Model)

- Stylish curved architectural model
- Contemporary cool-white back lighting.
- 100% BS316 marine grade stainless steel construction.
- Kit includes speech panel, handset, power supply, manual.

Hard Wired

302-ASK (Architectural Keypad Model)

- Stylish curved architectural model
- Built in, illuminated code-lock keypad for access control.
- Keypad includes 3 relays, with latching and momentary operation and many more features.
- Contemporary cool-white back lighting.
- 100% BS316 marine grade stainless steel construction.
- Kit includes speech panel, handset, power supply, manual.

Entrée Phone 302

Kits & Part numbers

302-ABP (Architectural Prox Model)

- Stylish curved architectural model.
- Built in stand alone proximity reader.
- 125KHz frequency. Compatible with 4001 / 4100, EM / TEMIC / TK tags.
- Modern blue back lighting effect.
- BS316 marine grade, brushed stainless steel construction with gloss acrylic trim.
- Kit includes 3 user tags, speech panel, handset, power supply, manual.

Hard Wired

PROX1

- additional Proximity Tags.

Entrée Phone 302

Kits & Part numbers

302-HB (Hooded Model)

- Hooded model, for a more traditional yet smart look.
- BS316 marine grade stainless steel construction with gloss black face trim.
- Built for tough environments.
- Illuminated push button.
- Kit includes speech panel, handset, power supply, manual.

Hard Wired

302-HBK (Hooded Model With Keypad) -Hooded with keypad for a more traditional yet smart look.

- Built in, illuminated code-lock keypad for access control.
- Keypad includes 3 relays, 1200 codes, with latching & momentary operation + more.
- BS316 marine grade, brushed stainless steel construction with gloss acrylic trim.
- Kit includes speech panel, handset, power supply, manual.

Entrée Phone 302

Kits & Part numbers

302-iB (Industrial Model)

- Industrial model for high volume applications on pedestals, vehicle entrances etc.
- Super loud 4 watt speaker, and sensitive microphone.
- Built for tough environments.
- Illuminated push button.
- Kit includes speech panel, handset, power supply, manual.

Hard Wired

302-iBK (Industrial Model With Keypad)

- Industrial model for high volume applications on pedestals, vehicle entrances etc.
- Super loud 4 watt speaker, and sensitive microphone.
- Keypad includes 3 relays, 1200 codes, with latching & momentary operation + more.
- Brushed stainless steel construction with gloss acrylic trim.
- Kit includes speech panel, handset, power supply, manual.

Entrée Phone 302

Kits & Part numbers
